

ECO-Rail

Component

ECO-Rail
Part No.: ER-R-ECO/XXXX

Technical Specification

Roof type	For Clenergy' s PV Mounting System	
Dimension	W32.6mm*H50.7mm Standard Length: 2100, 3150, 3600, 4200 and 4400mm, 4600mm, 4700mm	
Packaging	90 pcs per pack; 4 packs (360 pcs) per pallet	
Weight	0.826kg/m	
Material	AL6005-T5	
Color	Silver (Anodized no less than 10 µm)	
Standard	AS/NZS 1170.2.	
Corrosion Protection	Up to C5*	

Warranty Terms

Warranty is valid for all anodized ECO-Rail

*To maintain structural integrity of ECO-Rail through design life of 25 years, high corrosive C4 location require a 5% interface spacing reduction & C5 locations require a 25% interface reduction.
