

PV-ezRack East/West Adjustable Bracket for T-Rail 110, grounding

- Assembly

Install with T110 Rail

- Component

PV-ezRack East/West Adjustable Bracket for T-Rail 110, grounding

Part No.: BR-R110/EW/G

- Technical Specification

Application	Compatible with Clenergy SolarTerrace II-A & SolarTerrace III-A
Fixing method	Fixing into T110 Rail with Z module
Dimensions	L50mm*W105mm*H101mm
Weight	458g
Packaging	45 units per carton
Material	Main Structure: AL6005-T5 Fasteners: SUS 304 O rubber rings: EPDM
Color	Silver(anodized, no less than 10µm)
Standard	AS NZS1170.2-2011
